## God's Goodness is Everlasting "Dare to Believe"

Dear Robin

Greetings from Cahabón, Guatemala! We pray God's prosperous blessings upon you and your family. In this update you will learn what is happening in our lives and how you can be involved in the work of the ministry.

### Ministry in Cahabon, Alta Vera Paz, Guatemala

Our family moved to Cahabón, Alta Vera Paz from the LIFE Homes six months ago. It has been a major time of transition for our whole family, but we are learning to live as a family apart from the LIFE Homes. It has been special watching our boys develop friendships with other boys in the Church we attend. Ricardo is completing his first year in a young adult Christian Leadership Discipleship Program. The change in his life has been dramatic. His plans are to attend the second year to continue developing his God given talents.

We have been very busy working with the local Church, equipping the Body of Christ in the Word of God. David has been teaching the Scriptures on Wednesday nights in the local Church. His recent series

has been how to be transformed in your mind by the Word of God. Becky has been holding a Bible Study every Tuesday evening in our home, teaching the women how to become virtuous women. Weekly, people are receiving Jesus Christ as their

LIFE Unlimited Ministries

Lord and Savior, being delivered from difficult pasts, being built up in the Word, and challenged to go and do the work of the ministry.

We have also been helping one of the local pastors in particular to establish and strengthen the Church, to overcome ministry and personal issues that arise within this group of new believers.

**"Dare to Believe" Becky's first book soon to be released!**

Many of you know that Becky is having her first book; "Dare to Believe" published by Destiny Image Publishers. The projected release date is February 2012. This is only six months away.

Destiny Image has an awesome team of experts that are working with us. The book is currently in a four step editing process, and the art team has designed a wonderful cover for the book. It's an exciting door of opportunity that the Lord has opened up for us.

What you may not realize is that it does cost money to produce a book with quality. Destiny Image is an international book publisher and is well known around the world for producing great books. We are asking you to help us expand the potential of our ministry by investing into the publication of this book.

We need \$3270 for the first payment for the publishing of this book. The second payment is already taken care of, and then in December we will have a third payment due, but for now we are focusing on paying off the first payment. We are asking you to pray and ask God what you can invest to help us out with this book project.

For a gift of \$100 or more you will be given a signed copy of Becky's book; "Dare to Believe" when it is released.

In Christ,  
David, Becky & Family
